Type RUN", then PLAY on the recorder.

PARA ACADEMY takes the paratrooper to the limits of his endurance and beyond. Promotion prospects are quickly decided through a series of specially developed tests. There can be no failure – to fail means ejection from the ranks of the elite.

Strength and stamina, combined with the ability to fire a weapon with deadly accuracy, are just some of the qualities you must possess to lead a unit of battle-hardened killers.

Do you have the ability to graduate from the PARA ACADEMY?
